

Area Connect reaches 30,000 rides milestone!

Area Connect Jobs & Training transport has achieved a significant milestone by completing over 30,000 trips.

Launched in July 2021, Area Connect Jobs & Training have consistently expanded our service, now averaging more than 1,700 trips per month.

This remarkable growth showcases the hard work and commitment of the team, along with the unwavering support and trust from the community and industry partners.

The goal of the team has always been to offer dependable, accessible, and cost-effective transport solutions for job seekers and trainees, helping them overcome transportation challenges to access employment and training opportunities.

Area Connect are proud of the positive impact they have had and are striving to reach another 20,000 trips this year. Want to know more? Reach out to your local coordinator.
