About CTST

At CTST, our vision and purpose are to provide affordable services to support people to live well and connect with their community, we want to ensure that everyone has access to the community services we provide.

The needs and experience of each individual is our primary focus when making decisions about their services and the safety and wellbeing of our people and our consumers is our priority. We are cooperative and collaborative because we believe that collective impact gets the best result and we show our respect for our consumers, our people, and our partners by striving for the highest professional standards in everything we do.

Role purpose

The Area Connect Driver is responsible to provide professional, high quality and safe passenger services in their local area to job seekers and members of the community participating in training and education activities.

Reporting to Regional Coordinator or Local Coordinator, the Area Connect Driver will interact closely with passengers, community organisations, CTST and other Area Connect colleagues.
